

Turnover Cleaning Checklist

Bee & Bee Property Management

1. Entry & First Impressions

- Open windows where possible to air out rooms
- Turn on lights and check for any damage or left items
- Remove rubbish, recycling and food waste immediately
- Check for strong odours; treat if needed
- Ensure indoor temperature is comfortable (heating/cooling adjustments)

2. Kitchen / Kitchenette

Surfaces & Cleaning

- Wipe and disinfect all worktops
- Clean sink and taps; polish stainless steel
- Clean hob, oven front, microwave (inside & outside)
- Wipe fridge shelves, drawers and seals
- Clean kettle, toaster, coffee machine
- Wipe cupboard doors and handles

Crockery & Appliances

- Empty and check dishwasher
- Wash or replace any used items
- Ensure all utensils, pans, plates, cups and cutlery are clean and returned to correct places

Stocking

- Check and restock tea, coffee, sugar, etc.
- Replace bin liners
- Ensure cleaning supplies provided for guests (if applicable)

3. Bedrooms

Cleaning

- Strip beds and remove all used linen
- Check mattress protector; replace if stained
- Dust all surfaces: bedside tables, lamps, ledges, skirting
- Clean mirrors and inside windows
- Vacuum floors (including under the bed if accessible)

Bed Making

- Fit clean sheets, duvet cover, pillowcases
- Smooth duvet and ensure neat presentation
- Arrange cushions & throws neatly (consistent style)

Checks

- Ensure no guest items left behind
- Check lamps, bulbs, alarms, chargers

4. Bathroom

Cleaning & Disinfecting

- Clean & disinfect toilet (seat, rim, base, flush button)
- Scrub and rinse shower/bath
- Clean shower glass and chrome fittings
- Wipe tiles
- Clean sink, taps and countertop
- Polish mirrors
- Empty bin & replace liner

Restocking

- Toilet roll
- Soap / shower gel / shampoo
- Towels (bath, hand, face)
- Bathmat

Final checks

- Ensure drains are clear
- Check for mould or limescale build-up

5. Living Room / Common Areas

- Dust all surfaces, shelves, lamps, frames
- Wipe tables and high-touch areas (handles, switches, remotes)
- Vacuum sofas and cushions
- Fluff pillows and arrange neatly
- Vacuum and mop floors where needed
- Check windows and doors for marks

6. Hallways / Entrances

- Sweep, vacuum and mop
- Wipe stair rails, door handles, switches
- Check shoe racks, drawers, and remove clutter
- Ensure entrance smells clean and welcoming

7. Final Presentation

- Check lighting is warm and inviting
- Adjust curtains/blinds neatly
- Replace any missing decorative items
- Straighten furniture alignment
- Ensure keys or access instructions are left where expected

8. Safety & Maintenance Checks

- Test smoke alarms (weekly or per owner preference)
- Spot-check for leaks, damage or broken items
- Note low batteries (remotes, alarms, door keypads)
- Ensure heating/hot water systems appear to be functioning
- Report anything unusual immediately
